4. [REDACTED] The Director called Senators Stennis and Young to thank them for their work on the Senate floor yesterday in support of Senator Scott's amendment striking section 504(a) of the Foreign Relations Authorization Act of 1972 (S. 3526) and urged them and their colleagues to support Senator Baker's amendment on the floor today which would strike section 205 of the bill concerning dissemination of information abroad. OLC members also contacted the following Senator's offices: Hollings, Dominick, Byrd of Virginia, Allott, Jackson, and Spong as well as Bill Woodruff, Counsel, Senate Appropriations Committee. Senator Baker's amendment passed the Senate by a vote of 42-26.

I called Bob Mosbacher, Legislative Assistant to Senator Baker, to congratulate him and the Senator on their success this morning and to thank them on their efforts in our behalf. I took this opportunity to invite Mosbacher to visit us for lunch in the near future. He said he would like very much to come out.
